H.R. 2054

A bill to give the consent of the Congress to an agreement or compact between Utah and Nevada regarding a change in the boundaries of those states, and for other purposes

As ordered reported by the House Committee on the Judiciary on May 8, 2002

H.R. 2054 would give Congressional consent to a boundary change between Utah and Nevada that would enable the city of Wendover, Utah, to be located within the boundaries of Nevada. Enacting the bill would result in no cost to the federal government. Because enactment of H.R. 2054 would not affect direct spending or receipts, pay-as-you-go procedures would not apply. The bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.
